

BOULDER VALLEY VELODROME

## ***Madison Series***

The Madison is a high speed, two person points race relay. One partner from each team starts the race from the rail while the “resting” partner pedals slowly along the top of the track. Partners exchange positions by pulling even with each other and then relaying or “slinging” the incoming partner into the race. The Madison event is like no other in cycling and requires speed, endurance, technique and awareness! Our series aim is to give both experienced and newer Madison riders the opportunity to hone their skills and get a great workout!

### **Who**

The series is open to all BVV certified riders who hold a current USA Cycling Racing licence.

### **Cost**

\$30 Entry Fee

\$20 for BVV VeloPass holders
